SPECIFICATIONS - INC.

Each Element home is a unique work of art in progress. As construction evolves, subtle changes from the specifications shown here may naturally occur. While we strive to represent materials, colors, and textures as accurately as possible, many of the elements we use are natural products—meaning slight variations in color and texture are to be expected and are part of their inherent beauty.

The Citrus on Lot 35

4,433 Sq. Ft. · 5 Beds · 5 Baths · Powder Bath
